1945

The University of the South, Sewanee, Tennessee

IN war, as in peace, men must learn, but in war the individual is faced with the responsibility of learning as much as possible in the shortest possible time. This task is a hard one, for it requires unending hours of ceaseless work. To accomplish it eyes have drooped and muscles have ached; but the job is being done. It is, then, to those at Sewanee who have thus striven that they might make their contribution with their friends in winning the war that this book is gratefully dedicated.

W. R. NES, A.S. *Editor*

1945 GOWN AND ANCHOR

IT was only some six or eight weeks before the March-July semester came to an end that the 1945 Gown and Anchor was conceived. Six or eight weeks, that is not very much time in which to begin and finish an Annual. Yet, it has been done and for that reason we, the Editors, wish to thank each and every member of the staff without whose tireless help the Gown and Anchor would not have been possible. To Charles Karsten, Business Manager, to Robert Ratelle, Photographer, to Robert McMillan, A.S. and William Conlon, A.S., who took charge of compiling the necessary material on the University organizations, to Tom McDonald, A.S., and Sammie Midgett, A.S., Sport's Editors, to Alfred Lowrey who assisted the editors, to Bill Moore who assisted in the photography, to Edwin Coombs, Jr., A.S., to D. D. Magwitz, A.S., to Raymond Thurston, A.S., to William Selcer, and to Ralph Fowler, solicitors, to all we give our sincere thanks. Then, lastly but never the least, we extend our thanks to the office of the Associated Alumni, and especially to Miss Olive Walker, to the Registrar's office, to the Vice-Chancellor's office, to the V-12 Headquarters and to all the many offices and persons who assisted in making this Annual possible.

SOPHERIM LITERARY SOCIETY

Seated: McMillan (Secretary); Robards (President); Karsten. Standing: Wright, Greene, King.

DEBATE COUNCIL

Left to right: Dicks, Blumer, Major MacKellar, Conlon, and Avey.

ATHLETICS ON PARADE

AS has been the case in the preceding semesters the intramural sports have been in the limelight, and as usual there has been a very interesting program of sports. Everyone interested in sports was very sorry to hear that "Coach" Moore had left Sewanee and is now in the American Red Cross where he expects to be attached to a Marine Combat Division in the South Pacific, but we were extremely fortunate in the choice of his successor as athletic director, "Grumpy" Roberts. Basketball was first in the limelight and a very interesting intramural program was carried out. The Marblehead team finally won the competition, nosing out the Rangers by a small score, then, to pop off the season defeated Howard College in Birmingham 38-34. The Sewanee collegiate team also had a good season. Defeated once by Vanderbilt, they came back and defeated Vanderbilt in the second game, in the Sewanee gym.

The intramural track meet was very successful and there was much skill displayed, especially by Rotondo, who won the meet and by Streicher, Kunecki and Pryor, who ranked next in that order. Many practice meets were also held with Sewanee Military Academy, St. Andrew's and Baylor, in which the Sewanee team made a fine showing. H. C. Murray

took the honors in the swimming meet with McClelland, and Rotondo close behind. In the boxing tournament the Sewanee champions from the heavy-weight down were Jackson, L. E., Midgett, S. O., McDonald, T. E., MacDonald, J., and Seat. Bailey, E. H. won the intramural golf meet easily, and Schramm won the championship tennis singles. Streicher and Baer took the doubles in tennis.

The softball intramural league, discussed more fully under the Enterprise team, was composed of the eight following teams:

Enterprise, Johnson Hall—B. I. Bailey, captain
 Yorktown, Sewanee Inn—Wilde, captain
 Concord, Sewanee Inn—Shantz, captain
 Tennessee, Johnson Hall—Volmert, captain
 Ranger, Johnson Hall—Bailey, E. H. and Burke, W. F., co-captains
 Shangrila, Ship's Company—Corley, captain
 Sewanee Civilians—Leonard and McWhorter, co-captains
 Skipjacks, Sewanee Inn—Thompson, captain

It has been a full, interesting and exciting program of intramural sports, and has been much enjoyment to all.

RUNNER-UP

Enterprise Wins Championship

THE Enterprise softball squad went undefeated through two "round robin" schedules, between all eight of the Sewanee teams. Due to the good leadership of their Captain B. I. Bailey, and the brilliant playing of all members of the team, they were never seriously threatened. Bailey pitched a very superior brand of ball the whole season, never losing his control. He could also be counted on to hit in the clinches usually by a bunt. Roman Kunecki composed the rest of the Enterprise battery and his catching was above criticism. He is a consistently good ball player and a powerful hitter. Patrick, who played first base, just suited the position as no ball over seven feet high could get by him. A consistent hitter, he made a threat to all opposing hurlers. White also played a consistent game on second base, and placed more good bunts than any one else in the league. Streicher, who played short stop for the "Big E", was the most dreaded batter on the Mountain by the other pitchers, and his batting average will readily show why. Ralph would step up to the plate calmly and almost invariably smash out a hit. His fielding was also very good. Bill Ferrell played a brilliant game on third, and those sure hits down the third base line didn't go over against the Enterprise. Cate played short field and took care of all that were too far for the infield. His hitting was good and the few home runs he hit came in opportune moments. The three fielders Hogan, Dunlap, and Pryor, didn't have much chance to show their skill as B. I. didn't let anyone hit that far many times, but the hitting of Pryor was a big contribution to the team.

In short the Big "E" had all the traits and qualities of a winning team, unsurpassable fielding, consistent

CAPT. BAILEY FIRES AWAY

hitting and one of the finest pitchers anywhere. Yorktown was rated as the only team that was a threat to Enterprise, but was beaten twice by the "Big E" with a comfortable margin. Twice, on off days, Enterprise was almost beaten by inferior teams but managed to pull out and win. The first one was Shangrila, the ship's company team who held them down to a 1 to 0 score in a very close and exciting game. Then the Concord team made a bid for glory and almost gained it, but pulling up from behind in the last innings, the "Big E" won by a score of 9 to 7. After winning the intramural championship, the Enterprise squad received a trip to Nashville and a game with Vanderbilt's intramural champions as a reward. The "Big E" lived up to its name and the expectations of Sewanee by rolling over them 14 to 1.

The Sewanee intramural trophy was awarded to B. I. Bailey, as captain of the team and each of the players received a medal from the American Softball Association. The Enterprise team has left a record that will be hard to beat, and it will always be remembered by its players, its opponents, and Sewanee.

Marblehead Takes Basketball Honors

THROUGHOUT the winter when athletics are forced inside, the attention of everyone turns to basketball. Eleven teams, representing sailors, civilians, and theologs entered the field of competition for this year's intramural basketball championship.

All hopes but those of Cannon Hall's Marblehead were doomed to early disappointment, however, as this team, playing a superior brand of ball, marched through the season without a single defeat. Captain Meggs more than justified the confidence placed in him by ably managing his team and also proving to be a consistent high scorer and a matchless defence man under the basket. Billy Burke was the real point-maker for the Marblehead for he was second in the unit only to the Ranger's E. H. Bailey. Much of the Cannon Hall team's success must be credited to Leach and McSpadden who developed such an air tight defense that they were given the same assignment on the University team. And Leach, holding his own on the scoring side of the game, seemed to ridicule enemy guards as he scored in game after game on his beautiful fast break.

The Rangers, paced by E. H. Bailey, matched the stride of the Marblehead up to the final game which was the championship clash between the two. Through the season Bailey was high point man in the unit with an average of nearly 17 points a game. Burke was right on his heels with approximately 16½ points per game. It became apparent early in the season that the contest for championship would be between the Rangers and the Marblehead.

And so it was. The tournament ended in one of the hardest fought and best played basketball games the University has ever had. As has been mentioned, both teams were undefeated up to this point. Perhaps the

quality and excitement of the game can best be described by recalling the score—39 to 38 in favor of the Marblehead.

Spectacular plays both by the individuals and the teams were the order of the day for the game. The spectators were on their feet many times at the shots and rebounds of Bailey as he led the scoring in true form with 18 points. In the Marblehead ranks, scoring was more evenly divided as Meggs paced his team with 12 points followed by Burke with 10 and Leach and McSpadden with 8 each. In addition to their high scoring, Leach and McSpadden were the main stays of a zone defense which was very effective against the Rangers with the exception of Bailey.

The Marblehead took the lead at the start of the game and, playing somewhat smoother as a team than the Rangers, held this lead until mid-way in the second quarter. But the Cannon Hall men managed to pull ahead again as the half ended with the score 23 for the Marblehead to 20 for the Rangers.

At the end of the third quarter Marblehead had built up a five point lead as the score read 34 to 29. But now the Rangers poured the heat on as the game went into the final quarter. With two minutes remaining and the score tied up, Bailey made a spectacular one-handed shot giving his team the big side of a 38 to 36 score. Meggs on a rebound and Burke on a foul shot saved the day for the Marblehead, however, and the game ended 39 to 38 in favor of the Cannon Hall squad.

So the Marblehead goes on record as the undefeated champion, and it fully deserves its title. But in all fairness it must be acknowledged that the runner up, the Rangers, was a great team and that the game between these two teams was perhaps the finest ever played on the Mountain.

BAILEY TEES OFF

Rotondo Champion In Intramural

THE intramural track meet is recognized by all as one of the highlights of the spring athletic season. Devised and put into practice by Coach Moore, this event, more than any other athletic event, holds the greatest opportunity for individual play by the participant. The man who wins this contest must, as a minimum, be very superior in one phase of track, say running, and also be able to win two or three field events. The winner, of course, is the one man who makes the greatest number of points. There are no team entries. The winner is declared intramural track champion and awarded a trophy as such.

The meet this year was run off in two weeks, two events being held each day. So that even this system would not tax a contestant too much but permit him to do his best throughout, one of the events was a field and the other a track event each day.

This, then, is the challenge held out by intramural track and this season Sewanee had a number of very fine track men compete, nobly contesting each event.

Victor Rotondo won this year's championship by a decisive score in spite of the fact that he faced a very strong field of opposition. Rotondo was able to achieve this victory because of his amazing versatility which made him the man to watch in nearly every event. Rotondo, who looks like a pocket size edition of Samson, took first place in the 440, the 220 low hurdles, and the broad jump. Les Pryor distinguished himself as a dash man by nozing "Root" out of first place in the dashes. In the 100-yard dash and the 220-yard dash Pryor and Rotondo finished first and second respectively.

In spite of a double handicap of size and little training for the event, "Root" scored a third in the grueling mile. Sewanee's regular miler, Marion Bradford, carried away first place in his event and lanky Ralph Streicher proved too much for his roommate, Rotondo, as he took second place in the mile. "Root" also took second in the discus and picked up his final point with a fifth place in the high jump.

This staggering lists of first's and near first's all add up to give Rotondo 28 points. This gave him an 8 point lead over Streicher, his roommate, who proved to be Rotondo's best competition by chalking up 20 points.

Streicher took his only first in the high jump, jump-

KUNECKI HEAVES HO

ing 5' 8". He took seconds in the 220-yard low hurdles and the mile; thirds in the discus, and fourths in the 220 and 440 yard dashes.

Roman Kunecki ended up in third place with 17 points. Starring in the field events, Kunecki took first in the shot put and the javelin throw. Kunecki picked up the rest of his points by fourths in the broad jump, the discus, and the 220-yard low hurdles, and a fifth in the 100-yard dash.

Pryor held down fourth place by taking firsts, as has been mentioned, in the 100 and 200-yard dashes. He built his score up to 14 by gaining an additional third in the 440 and a fifth in the mile.

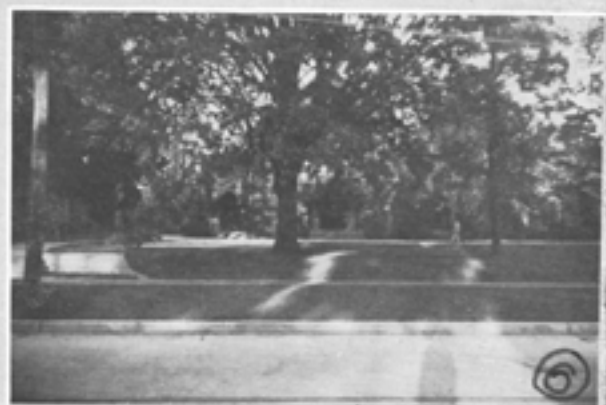

D. T. Patrick and George Swetnam tied for fifth place in the meet with 9 points each. Patrick took thirds in the 220 low hurdles, the broad jump, and the javelin throw. Swetnam took seconds in the 440 and the high jump, and a fifth in the 220-yard dash.

Jim Volmert took sixth place, tallying 8 points. He scored seconds in the javelin throw and the shot put. Scott Julian placed seventh with 7 points, scoring a third in the high jump and fourths in the javelin throw and shot put.

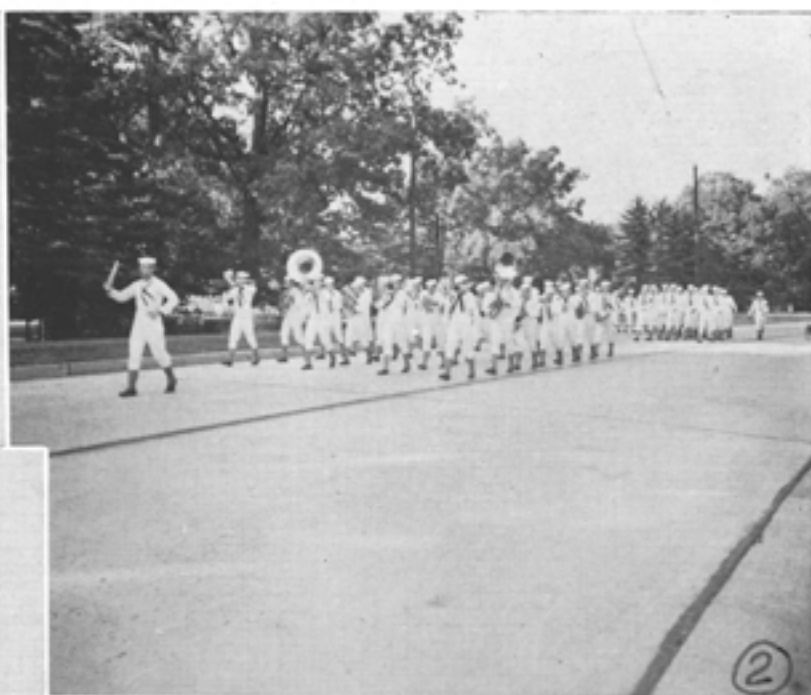

Delph and Vronch tied for eighth place, each making 6 points. Delph scored thirds in the 100 and 220-yard dashes while Vronch took fourths in the 100-yard dash and the mile, and fifths in the discus and broad jump.

Bradford and Coombs claimed ninth position with a single victory each. Bradford was first in the mile and Coombs in the discus. Cavender ranked tenth by jumping to second place in the broad jump. Holt and Green took eleventh place with thirds in the high jump and shot put respectively. Holt tied for third with Julian in the high jump.

Benson scored two points with fifths in the shot put and javelin throw, and Oglesby scored a fifth in the 220-yard low hurdles.
